

Welcome to the new academic year 2023-2024. We hope you had a lovely summer holiday and feel refreshed to sail away with us through the Early Years Foundation Stage to the end of the school year – July 2024.

Dear Lord, use my eyes to *see* my friends.

Open my ears to *hear* my teacher.

Open my mind to *learn* new things.

Let my heart *remember* YOU are near when I am afraid.

Help me to *love* others like you do.

I want to *shine* your light so bright in my school. Amen

A Big Thank You...

to all our parents/carers for your tremendous support rendered throughout our summer activities. To name a few..... Family Funday, Teddy bear picnic, Graduation etc...Ceremony, Sports day etc.... We really appreciate your gestures. Please keep it up so we can all enjoy your child/ren's learning journey through the Early Years Foundation Stage.

Staff training

Please be informed that the setting will be closed for staff **Speech and Language Training Using Wellcomm** on **Friday, 13/10/23** and **Friday 24/11/23**. We are sorry for any inconvenience this may cause.

Nails - to avoid any scratch on your child or your child scratching his or her friends, we kindly ask that you check your child's nails every day, cut and file them if necessary.

MY NAMETAGS

parents/carers are advised to label their child/ren's personal belongings. This prevents their belongings being mixed up with other children's items as more than one child may have the same shoe size and the same colour or even the same colour dummy. Labels can be ordered from www.MyNametags.com

Free Childcare

for your 2, 3 and 4 year olds.

To find out if your 2 year old is entitled, please visit;

www.myearlylearning.co.uk

To find out if you are entitled, please visit;

The **abc's** of Physical Development

<https://sportyminis.com/>

A physical education programme developing children's physical development through sport themed fundamental movement skill sessions.

Sporty Minis is excited to be teaming up with **Lily's On The Hill** to increase your children's physical development and sporting skills exposure. We have a high quality programme that we share in many nurseries and preschools throughout London, Surrey, Oxfordshire & Devon.

Our team is very passionate about Fundamental Movement skills and physical education in the early years. We are very much looking forward to starting Sporty Minis with your little one!

See below lots of information about our programme, prices & dates. If you have any questions please contact our founder marnie@sportyminis.com

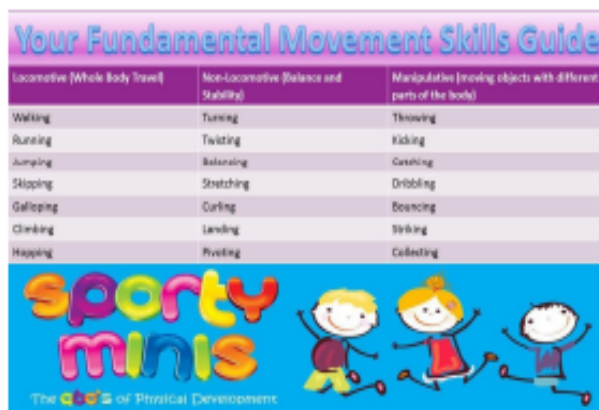

PARENT SIGN UP: 5 week Introductory Term- £6 a session. Starting Thursdays 28th September 11am

<https://sportyminis.classforkids.io/term/352>

What are fundamental movement skills?

Fundamental movement skills provide the building blocks of physical literacy. They can be split into 3 categories: locomotive skills, non-locomotive skills and manipulative skills. Locomotive skills include whole body travel such as running and jumping. Non-locomotive skills include body stability and balance. Manipulative skills include control of objects using different body parts such as throwing and catching.

The **abc's** of Physical Development

The development of a child's physical capabilities has long been recognised as an integral and vital part of the educational process. Physical development cannot be achieved effectively in isolation, therefore the opportunity to improve physical performance is inextricably linked to the development of personal and interpersonal competencies such as self-esteem, cooperation, decision making and assertiveness.

Fundamental Motor Skills(FMS) are the foundation movements or precursor patterns to more specialised, complex skills in games, sports, dance, aquatics, gymnastics and recreational activities.

Early development of FMS is a significant step towards ensuring a lifelong, healthy and safe involvement in physical activity. Without competence in such skills as running, leaping, balancing, rolling, catching, and throwing, students are less likely to access the range of options available to establish an active lifestyle.

Our programmes focus on developing these building blocks of fundamental movement skills rather than specific sports skills. Early exposure to fundamental movement skills for children leads to better social and motor skill development, increased learning capacity and increased school readiness. Our programme also links to the Early Years Foundation Stage curriculum.

What does Sporty Minis look like?

Our 30 minute sessions follow a structure of warm up, skill, skill progression, skill related game and warm down. Each week is a different theme that incorporates our 21 fundamental movement skills. The sessions are delivered in a style that will engage all children and encourage curiosity in their own physical development, inspiring children to work with others in a group and encourage the listening and following of instructions. Children are rewarded weekly with stickers, plus they receive a certificate of excellence and a progress report throughout the program. As well as FMS development progress sheet in the Autumn and Spring Terms. An example of sessions include Striking Hot, Rugby Mania, Kick and Dribble superstars, Scarf Mania, Cricket Craze, Imaginative Play: The Circus, Small Balls, Little Balls.

We have many different delivery options including both Indoor and outdoor sessions therefore sessions are very rarely cancelled.

These sessions are run following both EYFS and National PE curriculums.

It will be an absolute privilege for me to welcome your little one to our SportyMinis sessions.
